THIS NEW APP WILL REPLACE OUR OLD ONE!

Please delete the old "Twin Rivers YMCA" app from your phone, and download the new "Daxko" app. The new app can be found by visiting trymca.org/app on your phones web browser, or by scanning the QR code above.

THIS APP WILL NEED TO BE SET UP!

• Turn on Notifications:

1. Open the app. On the main screen, go to  in the lower right corner.
2. Tap the  icon. Select "Notifications" and then "Twin Rivers YMCA"
3. Make sure all four categories are toggled to the "On" position:

- General
- Child Care
- Programs
- Schedules

• If you previously used barcodes on the app to scan-in, you will need to add them to this new app.

Enjoy the new app!
