GROWING A STRONGER COMMUNITY

TWIN RIVERS YMCA
2015 Annual Report

The Y. For a better us.™

In 2015 our YMCA became an even more vibrant force in our community for youth development, healthy living and social responsibility. We affirmed that by delivering on our mission – To put Christian principles into practice through programs that build healthy spirit mind and body for all – we will **Grow A Stronger Community**.

We focused on Youth Development by nurturing the potential of every child and teen who becomes involved with our Y. Through our strong collaboration with Craven County Schools we are now delivering our Afterschool Enrichment Program at eleven elementary schools in Craven County. This structured supervised program helps children learn grow and thrive in an environment that builds self-confidence and self-esteem while teaching positive character values.

Todd Shuart, CEO

As one of the influential leaders in the community promoting health and well-being, we bring families closer together, encourage healthy lifestyle activities, and foster connections through fitness, sports, and a variety of activities and events. We have influenced all ages – from infants to seniors. Whether it's interactive play in our Child Watch area, or Healthy Eating and Physical Activity guidelines for our afterschool children, teens learning healthy competition in our Y-Bern Teen basketball league on Friday evenings, or Group Exercise classes designed specifically for our Active Older Adults, everyone can be healthy at the Y.

Giving back and providing support to our neighbors is our Social Responsibility. For more than a decade our YMCA has partnered with Craven County Schools and CarolinaEast Foundation to teach our children lifelong lifesaving skills through our Water Safety Program. Helping our children become more aware and respectful of the aquatic environment here in New Bern and building confidence in our youth by teaching them safe practices around the water and steps to take in case of a water emergency.

As we move forward into 2016 the Y will continue to work hard to address our community's needs through programs at the Y and in our community. This would not be possible without the generous support of the H.H. Bate Foundation, CarolinaEast Health Systems, and many other groups, foundations, businesses, and individuals who support the positive impact our YMCA is making in our community through charitable contributions to our Annual Campaign. Please read about the impact our Y has on New Bern and the surrounding community as we work together to **Grow A Stronger Community!**
